VOL. CVXIIII—248. ALEXANDRIA, VIRGINIA, WEDNESDAY, NOVEMBER 5, 1913. PRICE, 2 CENTS

LITTLE INTEREST IN ALEXANDRIA

Six Hundred and Sixty-One Ballots Are Cast in The City.

SIX DELEGATES ONLY.

Majority Votes For Bond Issue of $90,000 in Mount Vernon District, Fairfax County.

The victory of the bond issue in Fairfax county, which was carried by a majority of 47 overshadowed the result of the election in Alexandria city yesterday, as it will mean the immediate construction of 33 miles of modern roadway extending south from Alexandria into a territory contiguous to this city. The proposition is to issue $90,000 in bonds which will be used for the improvement of roads in Mt. Vernon district. In addition the county of Fairfax will contribute $10,000 and the United States government $16,000, making $116,000 to be spent.

There was practically no interest taken in the election here yesterday and a total of 661 votes were cast which will only give the city of Alexandria a representation of six delegates in the next State Democratic convention, the lowest it has had for many years.

There was considerable confusion caused by the omission of several names of Democratic nominees from teh ticket. As a result of this oversight, James T. Patterson was elected justice of the peace from the second ward over Harrie White, the nominee, who failed to qualify before the clerk of court. For the same reason R. B. Washington was not elected a justice from the first ward.

There was practically no opposition to the Democratic ticket, Campbell, the socialist candidate for governor, receiving only 15 votes against 643 cast for Henry Stuart, the Democratic nominee.

The total vote cast in the city was:

For Governor—H. C. Stuart, 653; C. C. Campbell, 15; B. D. Downey, 3. For Lieutenant Governor—J. T. Ellyson, 636; Frederick Hamilton, 7; R. A. Tyree, 5. For Attorney-General—John Garland Pollard, 645; Nathan Parkins, 2; W. T. Welch, 10. For Secretary of Commonwealth—B. O. James, 577; S. L. Ford, 52; H. M. Warburton, 9. For State Treasurer—A. W. Harman, Jr., 617; B. W. Harris, 17; Edward Schade, 9. For Superintendent of Public Instruction— R. C. Stearnes, 541; B. M. Dutton, 60; Godfrey Kinder, 22. For Commissioner of Agriculture and Immigration—G. W. Koiner, 633; Adolph Muller, 11.

Vote of local candidates for city and State offices follows:

For Commonwealth's Attorney, S. G. Brent, 664; clerk of Corporation Court, N. S. Greenway, 672; city sergeant, Robert H. Cox; 673; commissioner of revenue, Charles H. Callahan, 673; city treasurer, Thomas W. Robinson, 670; corporation attorney, Samuel P. Fisher, 670; clerk of gas, John B. Waller, 670; collector of taxes, P. F. Gorman, 669; city auditor, E. F. Price, 666; for inspector and measurer of wood and bark, Carter H.Smith, 598; for inspector of lumber, Charles S. Swain, 592; for State Legislature, J. Fred Birrell, 662. The last named three candidates did not have their names on the ticket through an oversight.

In the First Ward L. H. Thompson was elected justice of the peace, receiving 157 votes, and William F. Webster constable, 42 votes. In the second ward James T. Patterson was elected a justice of the peace, receiving 174 votes. Julius Pelton for justice of the peace in the third ward received 150 votes, and C. O. Sipple for the same office in the fourth ward received 145 votes.

The bond issue in Mount Vernon district, Fairfax county, for the improvement of roads was carried by a vote of 114 to 67. The vote by precincts was: Pulman, 29 for, 10 against; Moores, 4 for, 36 against; Gum Springs, 38 for, 2 against; Accotink, 43 for, 19 against.

In accordance with the State law the banks and saloons in this city were closed yesterday.

NEWS OF THE DAY.

Striking miners in the Rio Tinto Cooper district near Hueva, Spain, during an outbreak of rioting yesterday set fire to mine property and a number of persons were burned to death.

Mrs. Samuel Cito, 25 years old, was murdered yesterday in the kitchen of her flat in the Italian quarter of Chicago. The alarm was given by the 6-year-old child of the slain woman, and the police found her lying dead on the floor, with the stiletto which had been used still sticking in her body. A year-old baby was splashing and crying nearby in a tub of water. Mrs. Cito had been beating the child when she was attacked. At Mrs. Cito's side played another of her children, smeared with blood. Distinct on the baby's forehead was the mark of a man's bloody finger. The murderer is unknown.

Judge John C. Motter, for years the Republican leader at Frederick, Md., and one of the most widely known men in the State, was stricken with paralysis on Market street yestrday afternoon and his condition tonight is serious. The attack is attributed to overwork in the present campaign.

Despite the presence of a hundred deputy sheriffs, mustered in to preserve order, rioting attended the elections yesterday at Gary, Ind. Dr. Frank W. Smith, coroner of Lake county, was injured when he went to a place where it was reported that a man had been murdered. Hundreds of persons had surrounded a voting booth, where a riot was in progress, when Dr. Smith was knocked down and severely injured. One man was reported to have been shot and killed.

ANTIPLANTERS BURN A HOUSE.

Destroy Buoys and Swear to Break up Planting.

Crisfield, Md., Nov. 5.—Armed with rifles and bound by a secret oath to destroy all oyster planting property in Somerset county, a large number of oystermen advanced on Crane's Point yesterday morning, and after attempting to kill the watchman and burning the watchhouse, destroyed the buoys on the planting grounds and threw the private beds open to the natural bar oystermen.

Trouble in the oyster districts of this county started some months ago, and while there has been an occasional lull a fresh outbreak has occurred often during that time. Last Saturday oystermen from Smith's Island and other nearby sections swooped down on the Gibson planting grounds, on what is known as Great Island, in the western part of Tangier Sound. The buoys on this ground were torn up and carried down to the Sound channel, where they were anchored in more than 10 fathoms of water. After removing every mark of private property the oystermen returned to Great Island and worked with their dredges all day on the oysters which the Gibson firm had planted there.

On Monday the oystermen transferred their activities to the planting grounds of George A. Cox, of Fairmount, this ground being known as Harris Rock. They destroyed the buoys on this gound and worked on the planted oysters all day Monday.

BELIGERANT HUNTER KILLED.

Trespasser First Fires Shot at Park Officer.

Kansas City, Mo., Nov. 5.—A hunter who refused to obey a command that he cease shooting in Swope Park yesterday was shot and killed by Frank Robinson, a special officer. There were no adequate means of identification on the hunter's body.

Robinson was attracted to a wooded region of the park by the sound of shots. He found the hunter in the act of shooting a squirrel and ordered him to desist. The hunter replied by firing a charge at Robinson. Robinson then shot him through the head.

The dead man was identified as Charles Riney, a shoe salesman of St. Louis. He was 30 years old and was visiting here.

HALF OF NORMAL VOTE IS CAST

Democratic Candidates Are Borne Along on Massive Wave.

INTEREST IN SPOTS.

Keezell is Beaten in Race For House. Buchanan Defeats Summers in First District.

Special to the Gazette.

Richmond, Va., Nov. 5.—The next Legislature will have 92 Democrats in the House and 35 in the Senate, the Republicans and independents, eight in the House and five in the Senate.

In Norfolk City, after one of the bitterst fights in the history of the State, the organization lost two members of the house, the City Sergeant, City Collector and Commonwealth's Attorney.

Trehy for Clerk of Courts, Doran for Commissioner of Revenue, and Tunstall for City Treasurer, were all that the "Machine" could elect and Trehy, declared to be the boss of Norfolk, won by a majority of ninety-three.

Richmond, Nov. 5.—Opposition to the State Democatic ticket utterly collapsed at the polls yesterday, the two branches of the Socialist party failing to make any apparent inroads, Henry Carter Stuart, of Russel county, the choice of all factions of the Democratic party for Governor, was elected practcally without opposition, as was the entire Democratic State ticket. The Democrats retain the two Senate seats filled yesterday, and have a largely inceased majority in the House of Delegates.

Sweeping Democratic victories in the Ninth Distict, the defeat of Geo. B. Keezell as a candidate for the House in Rockingham, and an exciting factional contest in Norfolk were the features of an otherwise listless election. Not more than one-half of the normal vote was polled—probably not more than 50,000 ballots being cast in the entire State.

State officers were elected as follows, to take office on February 1.

Governor—Henry Carter Stuart, of Russell.

Lieutenant-Governor—J. Taylor Ellyson, of Richmond.

Attorney-Genueral—John Garland Pollard, of Henrico.

Secretary of the Commonwealth—B. O. James, of Richmond.

Superintendent of Public Instruction—R. C. Stearnes, of Salem.

State Teasurer—A. W. Harman, Jr., of Rockbrige.

Commissioner of Agriculture—Geo. W. Koiner, of Augusta.

The victory of B. F. Buchanan over L. P. Summers, Republican, for the State Senate from the First Senatorial District, omposed of Washington and Smyth counties and the city of Bristol, goes far to stengthen the hands of the Democratic party in the Ninth District. Mr. Buchanan succeeds the late D. C. Cummings, Democrat, who has died since the last session of the General Assembly.

While complete returns are not available, it also appears that Democrats have been sent to the House from Washington and Smyth counties, as well as from several other Ninth District counties, where party lines are maely closely drawn than in Eastern Virginia.

The election of Mr. Buchanan a "dry" man, as Senator from the Bristol district, succeeding, as he does, Senator Cummings, who voted "dry," and the election of James E. Cannon, who is opposed to the enabling act, from the city of Richmond, to succeed E. C. Folkes, resigned, who voted "wet," leaves the situation in the Senate just at it was at the last session, when the act was defeated by eight votes. Since that time none of the hold-over Senators has indicated that he had changed his views as to that measure.

MORE MOVING PICTURES.

New Exhibition Hall to be Erected in Alexandria.

Plans and specifications have been completed by Speiden & Speiden, Washington architects, to erect a moving picture theate at Alexandria.

The building will be one story in height, with a cellar, where the heating plant is to be installed. The ground on which the building will stand has a frontage of forty-five feet and a depth of eighty feet. The exterior construction will be pebble-dash, with galvanized trimmings. One great feature of the interior, in addition to the screen for moving pictures, is that a stage will be erected with a rolling curtain.

The theater will have a seating capacity to accommodate about 450 persons. The plans are now in the hands of the bidders, and as soon as the contract is awarded the work will begin.

The location of the structure has not been made public.

ST. MARY'S ACADEMY.

Results of First Examination—Reading of School Paper.

Yesterday in the assembly hall of the school, Rev. Father Cutler presented the first monthly bulletins of the year to the pupils of St. Mary's. They showed the results of the October examinations and were in most cases very satisfactory. Those attaining the highest average in their respective rooms were: Catherine Pettey, 99 1-2 per cent; Agnes Plaskett, 98; Thelma Longfellow, 93; May Brock, 98; Louise Robinson, 98; Margaret Wibert, 94; Marian Griffith, 95; and Dorothy Grace, 95.

A piano duet by Mildred and Pauline Hellmuth opened the exercises; it was followed by the reading of "Rosa Mystica," a manuscript school paper edited by the classes '14 and '15. Jeannette Procise '14 and Eleanor Nugent '15 were the readers and the paper was a creditable production. It contained essays, choice bits of verses and many local pleasantries that were well received; the paper showed that the work in English receives its full share of attention, and gave promise of splendid results later in the year, when the young writers shall have become more proficient in the art of English composition.

ROBBERS ARE CAUGHT.

Chased in Auto—Officials's Gun Proves of No Account.

Henderson, Ky., Nov. 5.—Two robbers fleeing into the country in a surry they had taken as they fled, were pursued in an automobile by Mayor Thompson and held up with a pistol which wouldn't shoot.

They mayor overtook the robbers about a mile from the city, ran ahead of them, blocked the road with his automibile at right angles, and leveled a pistol at the men, demanded their surrender. They gave up, and returned to the city with the mayor and police. On the way back the mayor tried to use the pistol on a troublesome dog and discovered that it wouldn't work.

The robbers were much chagrined to discover that they were in no real danger at the time they gave up. The men were a part of a gang of four who had tried to loot Peter Giebel's store. The other two were captured after a running fight with the police, in which several shots were exchanged. The loot of the store was attempted during a rush hour, the robbers taking advantage of the confusion of the crowd.

DECIDED SETBACK TO TAMMANY

Mitchell Elected Mayor Over McCall by About 70,000 Votes.

FUSIONISTS VICTORS.

Democratic Landslide Pleasing to President Wilson—Result an Affirmation of His Administration.

Fusion emerged victorious in New York City yesterday, while the Democrats triumphed in Massachusetts, New Jersey and Maryland, electing their State tickets. In Virginia the Democratic ticket was practically unopposed. In Maryland, Blair Lee, a Democrat, was elected to the Senate.

The Fusion victory in New York was complete, Tammany winning but one important office, the presidency of the borough of Queens, and retaining but one vote in sixteen on the board of estimate.

Flaunting defiance in the face of Tammany, William Sulzer the former governor of New York, is carried to victory as assemblyman on a tidal wave of popular vote.

Democratic majorities in Massachusetts and New Jersey were 50,000 and 20,000 respectively.

Philadelphia returned the regular Republicans to power, and Pitsburgh elected Joseph G. Armstrong mayor.

Democracy triumphed also in the Twentieth New York Congressional district, where Jacob H. Cantor was elected; the Thrteenth New York Geo. W. Loft succeeding the late "Tim" Sullivan, and the Third Maryland District, Charles P. Coady being the choice. The Republican of the Third Massachusetts won with Calvin D. Paige.

Cincinnati voters, after a hotly contested campaign, retired Mayor Hunt, Democrat, in favor of Judge Frederick H. Spegel, Republican.

The following are the results of yesterday's contests in different states:

Massachusetts—Democrats elect D. I. Walsh governor by 50,000. Republicans increase their majority in the legislature.

New Jersey— Democrats elect Jas. F. Fielder by 20,000. Democrats control the senate and probably the house.

New York—Republicans elect a majority of the assembly. Hold-over senate is Democratic.

Virginia—Democratic ticket practically unopposed.

Maryland—Democrats elect Blair Lee to senate and full state ticket.

OFFICER SHOT FOR MURDER.

Spanish Captain Convicted of Cold Blooded Crime for Money.

Madrid, Nov. 5.—A firing squad of Spanish troops at dawn yesterday executed Captain Manuel Sanchez, a Spanish army officer found guilty by a court-martial of the murder of Don Garcia Jalon, a wealthy land owner, last May. Detachments of all the regiments on the garrison witnessed the execution.

Captain Sanchez was tried and condemned for the crime as a sequel to the confession of a woman, Luisa Sanchez, said to be his daughter, who was sentenced to 12 years' imprisonment as his accomplice. Jalon was missing for several weeks after he had won about $1,000 at cards, and the evidence showed that he had been enticed to Sanchez's flat and murdered there by the officer who, with the woman, cut up the body and threw it into an adjacent sewer.

PRIEST A POOR WITNESS.

Could Not Indicate Text of Bible on Which He Based Denunciation of The Jews.

Kiev, Russia, Nov. 5.—"Vaudeville," is the term used by the newspaper Kievsky Mysl in referring to testimony of Father Pranaites, the priest from Turkestan, at the trial of Mendel Belliss. It adds that the priest has proved a "broken reed" for the prosecution.

Judge Poldiriew, president of the court, became impatient at the hearing when Father Pranaites continually replied 'I don't know" to questions and was unable even to indicate the texts of the Talmud and the Bible on which he based his denunciation of the Jews. The judge sharply demanded whether the witness could hear the questions put to him.

After alluding to the significance of the number of the wounds and to the method of killing employed, Father Pranites said the object of ritual crimes was to hasten the arrival of the Messiah.

When asked to produce the book containing a discription of those practices, the priest replied that it was in St. Petersburg.

LEADS WAY TO VICTIM'S GRAVE

Farmer Confessed That He Killed Man, But Could Not Give Reason.

Milford, Mass., Nov. 5.—By the flickering light of lanterns Daniel J. Cooper, a farmer, led a party of officers into a swamp nine miles from here, pointed out the grave he said he had dug to hide the body of his neighbor, Alfred Bradish, whom the police say he confessed he had killed with a revolver on October 4th.

In his alleged confession, which came after an all day examination by the police, Cooper is quoted as saying he shadowed Bradish from his farmhouse and without a word came up behind hi mand fired. Then he hid the body until the next morning when he dragged it to the swamp. Cooper was placed under arrest after the body had been recovered.

The state police had Cooper, upon whom suspicion had fallen, brought to Milford. He was kept under a steady fire of questioning. Immediately upon making his alleged confession Cooper was hurried to the swamp where he pointed out the spot where the body was buried.

The cause of the shooting, the police say, is a mystery. They declare that Cooper insists that he had no reason for killing his neighbor, and denies jealousy was the motive.

ANNIVERSARY CELEBRATION

Interesting and Impressive Program Arranged by Committee.

THE TREATY OF GHENT

Appropriate Services in Churches and Festival By Children in Public Schools December 24th, 1914.

An elaborate plan for the celebration of the one hundredth anniversary of the signing of the Treaty of Ghent, which brought about peace between the English-speaking nations, was outlined at a meeting of the local committee which was held this morning at the office of John M. Johnson, chairman.

Public meetings to be held in the various churches, celebrations by the school children, a mass meeting which will be addressed by prominent speakers, a parade and a festival and the marking of the event by a permanent memorial to be erected in the city of Alexandria, were among the things decided upon.

The program as adopted was as follows:

On the morning of Thursday, December 24th, 1914, the anniversary of the signing of the treaty, a service of praise and thanksgiving, is to be held in historic Christ Church, one of the colonial churches of Virginia.

On the afternoon of December 24, 1914, the school board of the city will be invited to have a children's festival in the public schools, setting forth the salient facts of the relations between the English speaking nations, how peace has been secured and maintained between them and particularly of the advantages of international peace.

The pastors of the various churches of the city will be invited to mark the anniversary on Sunday, December 28, 1914, by sermons pertinent thereto and by other services.

On the evening of February 17th, 1915, the anniversary of the ratification of the treaty by the Senate of the United States, a commemoraive meeting will be held with appropriate music and addresses on the relations between the two countries by distinguished orators.

February 22, 1915, will be celebrated by a parade and all organizations of the city, civic and military, fraternal and patriotic societies, labor and business organizations will be invited to participate therein and the city will be illuminated on that evening.

The event will be further cemmemorated by the erection in the city of Alexandria of a permanent memorial.

John M. Johnson, chairman of the committee, and Mayor Thomas A. Fisher were named as a committee to attend the meeting of the general committee to be held in Richmond, Va. on December 3rd and 4th of this year when the plan for the Alexandria celebration will be presented.

Arthur Herbert, Jr., is treasurer of the committee and members are requested to send him contributions for the preliminary expenses.

NEED NOT PAY FOR HOUSE

Page, on Appeal, Loses His Suit for $5,000 Damages Against Town of Warrenton

No compensation will be allowed W. W. Page, whose residence in Warrenton was blown up in 1910 by town officers to prevent the spread of fire. Judge Keller, sitting in the United States Circuit Court of Appeals, having rendered an opinion yesterday affirming the judgment of the United States District Court who dismissed Page's $5,000 damage suit. The town of Warrenton is relieved of the responsibility for the act because "no officer of the town was lawfully authorized to bind the town in respect to destruction of buildings to prevent the spread of fires"

Page is a resident of New York State, and at the time of the Warrenton fire, on October 29, 1910, owned a house in Warrenton on Culpepper street. Warrenton had no chief engineer or fire warden to direct the destruction of buildings in fire-fighting, but it had a mayor and a recorder. It is claimed by Page that the dynamiting of his residence was done at the order of the recorder who, in the absence of he mayor, was the chief officer of Warrenton.

Shortly after the destruction of his house, Page brought suit in the District Court of Alexandria against the town of Warrenton for $5,000. The declaration asserted that the officers of the town unlawfully and wrongfully destroyed the Page residence because the fire being fought was at a considerable distance from this property and in no danger of spreading to it. Suit was brought under the Virginia statute,which allows the recovery of damages from a town or city by a citizen whose property has been destroyed by "the principal engineer or warden" to prevent the further spread of fire.

The town of Warrenton demurred to the declaration on the ground that the recorder had not the authority to order the destruction of property in such a contingency or to bind the town by his action. The demurrer was sustained. Page at once took an appeal to the Circuit Court of Appeals.

The appeal was argued before Circuit Judge Pritchard and District Judges Connor and Kellar on May 7, 1913. J. K. M. Norton represented Page, and J. A. C. Keith and Samuel G. Brent appeared for the town of Warrenton.

EXCITEMENT ON KING ST

Pistol Shots Attract Attention Between Ten and Eleven O'clock Last Night

Clinton Haney and Frank Fields were brought before the Police Court this morning to answer the charge of drunken and disorderly conduct on the streets last night. It was asserted that Field had discharged a pistol and B. Abramson alleged that Haney had accosted him and acted in a menacing manner.

Haney, in answer to the charge brought against him, said he had no recollection of having any difficulty with Field, but the latter claimed Haney accosted him and endeavored to bring on trouble. He said that Haney flourished a knife while in a colloquy with other men who had stopped at King and Pitt streets, and that he (Fields) discharged his pistol twice in order to attract the attention of the police.

A pistol, blackjack, pair of handcuffs and other things were taken from Fields after he had been brought to the station house.

When asked why he carried such accoutrements he stated that he is a special officer of Jefferson district, Alexandria county, and had come to Alexandria in search of a woman who was wanted in the county.

An officer testified to meeting him on north Lee street.

Justice Caton imposed a fine of ten dollars on each of the prisoners.

PAWNBROKER SEEKS APPEAL.

W. N. Prender Would Have Supreme Court Pass on Case.

Counsel for William N. Prender, of Alexandria county,whose application for a writ of mandamus to compel the issuance to him of a license was denied by the Court of Appeals on Monday, when it upheld the constitutionality of the new enactment, yesterday applied to the appellate court to allow him a writ of error to the United States Supreme Court.

Chief Justice Shepard directed the filing of the motion, which the court will take under consideration.The appeal will be based on the theory that the fourteenth amendment is violated by the new law, which was approved February 4th, last. Chief Justice Clabaugh,of the District of Columbia supreme Court, held that the act was discriminatory and unconstitutional, but his opinion was reversed by the Court of Appeals.

GONE AFTER DELINQUENTS.

Policeman W. A. Ferguson left last night for Roanoke, Va., to bring back to this city three men who are under arrest there charged with beating a hotel bill. The men came to the Rammel Hotel in this city on October 13th, and after remaining a week and contracting a bill for $52.50, departed without making a settlement. Their grips and other baggage was removed from the hotel without the proprietor's knowledge.

Cincinnati.—Fire in the upper stories in the Dennison Hotel caused a slight panic in the donwtown district, which was crowded with election sightseers. The fire was confined to the fifth floor, with a loss of about $25,000.

NEWS OF THE OLD DOMINION

GOVERNOR LOSES HIS VOTE.

Failed to Get Away Yesterday Morning, and Afternoon Train Doesn't Stop.

Richmond, Nov. 5.—Governor Mann did not get a chance to vote at his home in Nottoway yesterday. He failed to get away on the morning train, and while he expected to leave here at 3 o'clock yesterday for his old home, he ascertained that the train which would put him there in time to vote was a fast train and did not stop.

Yesterday he was locked in his office and is hard at work, taking advantage of the "holiday" to get rid of many matters that have been on his table for several days. With the doors closed and visitors barred he will be able to accomplish a good deal.

All State departments were closed so far as public business was concerned, all of the State officials having gone to their homes on Saturday and Sunday in order to be on hand early and to have a hand in swelling the Democratic majority.

LOVERS STOPPED BY POLICE.

Girl Goes to Lynchburg Where Suitor Is At College.

Lynchburg, Va., Nov. 5.—By means of numerous telegrams and distance telephone conversations an impending marriage between Miss Mabel Fallow and Ivan Keasler, both of Memphis, Tenn., was stopped by the families of the young couple from that city.

The prospective groom is a student at Randolph-Macon Academy, at Bedford City, 25 miles from Lynchburg, and had been paying court to Miss Fallow for eight years

Last summer Keasler desired to wed the girl, but was dissuaded by his parents, who induced him to come to Bedford City Academy. Recently he arranged for Miss Fallow to come here, and Monday he slipped away from school to meet her upon the arrival of the Memphis special. Meantime Keasler had been refused a marriage license, because there was no one to make oath to the girl's age, and before her arrival police had been notified to arrest them both and this was done. Now the couple is awaiting the arrival of relatives from Memphis.

APE JACK SHEPPARD.

Youngsters Make Their Escape From House of Detention.

Richmond Va., Nov. 5.—Two boys confined in the detention home of the Juvenile Society made their escape Saturday night by rather a clever ruse.

Breaking a Yale lock on the screened window n the guard room on the fourth floor of the building, they let themselves down to the roof of an outhouse in the rear by means of blankets tied together.

The two youngsters are Willie Arrington of Lynchburg, and Fred Watkins, of Richmond. Both are 15 and incorrigible. No trace of them has been found since they made their getaway, as far as the police and the juvenile authorities are willing to admit.

News of their escape leaked out when Mayor Ainslie came into police headquarters yesterday morning and made inquiries regarding the case.

ESCAPES HORRIBLE DEATH.

Joseph H. Wilson is Caught in Cotton Gin and Sustains Serious Injuries.

Suffolk, Va., Nov. 5.—Mr. Joseph H. Wilson of the Dixie Guano Company was badly hurt yesterday afternoon at the Dixie Cotton Gin, barely escaping with his life, and having his left hand and arm and left breast painfully cut by the saws of the gin.

The quickness and presence of mind of Jack Hyman, a colored employe, probably saved Mr. Wilson from a horrible death.

He had thrown the gin out of gear and was cleaning it, when the lever flew back, catching his glove and pulling him in the gin and on the knives.

His cries were heard by Hyman, who rushed to the scene, threw off the lever regulating the power, and snatched Mr. Wilson from the gin, tearing off the front of the gin to get him loose.

Dr. Harrell was summoned and Mr. Wilson taken at once to Lakeview hospital, where his wounds were dressed.

His condition, while very painful, is favorable.

UNFORTUNATE NIMRODS.

One of Them is Shot, Hunting Dog is Killed, and All of Them Are Fined.

Richmond, Va., Nov. 5.—The story of how six hunters came to grief was told and had its sequel in the court of Magistrate T. J. Puryear Monday morning, when J. M. Hill, F. Martin, A. G. Guy, George Hill, J. J. White, and W J. Bridgers, all of Richmond, appeared and answered charges of hunting and tresspassing on the Strawberry Hill farm, which had been preferred by W. K. Buckley, the manager of the farm.

It appeared in the testimony that was given by various witnesses that the six, constituting a party, had started out bright and early Saturday morning with several dogs and several guns wherewith to bag the game which they fondly anticipated they would get.

The party got as far as Boisseux's farm, and there were engaged in trailing the elusive game when a member of the party, F Martin, got his eyes upon a bird sitting all undisturbed upon the branch of a tree. without a word he raised his gun and sent a load of shot in its direction.

He didn't get the bird, but he did get A. G. Guy and one of the dogs. The dog was killed instantly. Mr. Guy was not seriously hurt, although he was seriously peppered in the neck and back of the legs.

While thus engaged, along came County Policemen Tiller and Martin and nabbed them on charges of hunting and tresspassing.

Mrs. Bessie J. Wakefield and James Plew were sentenced in the superior court at New Haven, Conn., by Judge Burpee yesterday afternoon. They will be hanged at the State prison here on March 4 next for the murder of William Wakefield, the woman's husband.

ARMED WITH BUTCHER KNIFE.

Unidentified White Highwayman is Fought.

Richmond, Nov. 5.—Raymond R. Harris, a florist employd in the establishment of J. D. Hooper, and living on Brook Road near Lombardy street, was walking along Brook Road toward Roane street Monday night at 9 o'clock, on his way to visit a young lady, when just back of Valentine's abattoir he was confronted by a white man brandishing at him a long knife such as butchers use.

Harris' interceptor demanded that he hold up his hands. Harris resisted and the two men grappled, falling to the ground. Harris, in seeking to stay the hand of his assailant, was badly cut about the hand and wrist. In the struggle on the ground the man succeeded in taking a dollar from Harris' pocket.

Harris finally got out his pistol and his opponent ran for his life. Though Harris fired after him three times, he is not certain that any of the shots took effect.

The police suspect some butcher of being the highwayman, and are making a thorough investigation.

CHARGES THREAT TO KILL.

York County Man's Arrest Caused by Spouse Who is Suing for Divorce.

Hampton, Va., Nov. 5.—G. F. Holloway, white, of York county, has been arrested on the charge of threatening to kill his wife. Detective Curtis said that there were other charges against the man and that he will be held in the Hampton jail until his trial.

Mrs. Holloway is suing her husband for a divorce and according to Mr. Holloway's statement he and his wife have not been getting along for sometime. It is thought that his wife's attitude concerning the divorce was the cause of the alleged attack on her.

BOY SEVERELY BURNED.

Little Boy Ignites Clothing While Playing With Toy Pistol.

Lynchburg, Va., Nov. 5.—Thomas, the 4-year-old son of Mary Patterson, who lives on Wadsworth street, was seriously burned Sunday morning about 10:30 o'clock near his home when his clothing caught fire while he was playing wih a toy revolver. The lad, instead of using caps in his pistol, he secured a quantity of match heads and was exploding these when a fragment popped out and ignited some dry grass in the yard causing it to blaze up quickly.

Thomas attempted to extinguish the flame and in doing so came too near the fire and his clothing caught from the blaze. His screams brought his mother instantly and she tore the blazing clothing from him as best she could, but not before he was badly burned from his waist up. His arms and back are frightfully blistered.

Dr. F. O. Plunkett was called in immediately and gave the little fellow such relief as he was able to. Mrs. Patterson was painfully burned about her arms and thigh while she endeavored to tear from her son the blazing garments. The lad stands a good chance to recover from his burns if no complications set in.

DEMOCRATIC LANDSLIDE.

The Democratic steam roller was active again yesterday, and moved with the same celerity as last November when Woodrow Wilson was carried into the White House on a tidal wave His administration was affirmed yesterday by decided votes in vnious sections of the country.

Virginia as usual, is high up in the Democratic column, the opponents of the nominees of the party still being in their storm cellars. L. P. Summers, would-be State Senato from the Bristol district, is among those snowed up in the Old Dominion. He was for a short time a resident of Alexandria, after having succeeded the late Park Agnew as collector of internal revenue.

Tammany Hall has received another of its periodical setbacks, and Mr. Sulzer has been elected an assemblyman notwithstanding Murphy's prejudices. The issue in New York has for some time attracted country-wide attention, and the rebuke to the powerful organization which was responsible for Sulzer's deposition from the governorship of the Empire state shows that the majority of the City of New York was by no means in accord with the organization.

Tammany, as has been the case on other occasions, will be compelled to wear a black eye for a time.

About one-third of the Democratic vote of Alexandria was brought out yesterday, the great bulk of which was cast for the regular Democratic candidates for state and city offices. The election throughout was one of the tamest in the history of the city, and was suggestive of some of the contests during the civil war when one-sided elections took place.

There were no bonfires or other evidences of jubilation, and it was unnecessary to remain up late to learn the result. One vote would have been sufficient to elect any candidate for a position in Alexandria.

BLAMES BRUNETTES.

Expert on Divorce Says Dark-Haired Women Responsible in Most Cases.

Los Angeles, Nov. 5.—That brunettes are almost invariably to blame for married men "going wrong" in Los Angeles county is the declaration of Thomas K. Hughes, clerk of a district police court, and he furnishes statistics to support his assertion.

He made the statement on the strength of having seen tried more than 4,000 divorce actions. He said that the regularity with which brunette women appeaed as corespondents, instead of the blondes, is "startling."

"Judge Monroe from October 1st to date," said Hughes, "has disposed of 110 cases. He granted decrees in ninety-four cases. He denied the severance of marital relations in sixteen uses. Just to show you where the other woman comes in I want to make a note of the fact that decrees were granted to seventy-one women and to twenty-three men.

"The infidelity element was the strongest advanced in two-thirds of those cases where women were granted decrees. In all the cases where corespondents were mentioned only five of so-called affinities were blondes and the remainder brunettes.

"Incidentally in the cases where men were the complainants or plaintiffs and mentioned corespondents, fully three-quarters of the men who bobbed up so disastrously in their lives were brunettes."

ENDORSED AT HOME.

Such Proof as This Should Convince Any Alexandria Citizen.

The public endorsement of a local citizen is the best proof that can be produced. None better none stronger can be had. When a man comes forward and testifies to his fellow-citizines,addresses his friends and neighbors, you may be sure he is thoroughly convinced or he would not do so. Telling one's experience when it is for the public good is an act of kindness that should be appreciated. The following statement given by a resident of Alexandria adds one more to the many cases of Home Endorsement which are being published about Doan's Kidney Pills. Read it.

H. C. Smith, tailor, 919 King street, Alexandria, Va., says: "I hope my statement will be the means of getting other sufferers to use Doan's Kidney Pills and be cured as I was. I couldn't begin to tell the agony I endured from my back. I didn't find anything that would cure me until I used Doan's Kidney Pills. They made me well in less than a month, and during the past two years I have had no trouble. The endorsement I gave at the time the cure was made still holds good."

Excitement in a Jail.

Morristown, N. J., Nov. 5. — Two drunken prisoners with a riot gun and 1,000 rounds of ammunition, held high carnival at the Morris county jail yesterday from midnight till dawn terrorizing other inmates, riddling the keeper's office with bullets, and failing in their plot for a wholesale jail delivery only because they drank too much liquor after escaping from their cells.

The two prisoners, Eugene Sampson and John Burns were placed Monday in the hospital ward with several other prisoners, charged, like themselves, with minor offenses. Sampson and Burns picked the lock to the door which leads into the keeper's office. Entering the office they broke open a desk and procured a bottle of liquor than had been taken from a prisoner a few hours before This they drank.

Then they broke into a storeroom and obtained a riot gun and ammunition. On a shelf near lay other riot guns, but these the prisoners did not touch. Returning to the hospital ward, they closed the iron door and began firing through it. As each shell contained a number of bullets the keeper's office was riddled.

At daylight deputies and detectives entered the jail. They found the inmates in a state of terror.

Burns and Sampson were asleep in a corner.

Judge Robbed and Poisoned.

New York, Nov. 5.—Judge Harry Smith Thompson, of Martinsbug, W. Va., who was taken to Bellevue Hospital on Saturday suffering apparently from some kind of drug poisoning, is improved, but still unable to give a lucid account of his experience in New York. His wife and brother are with him.

Judge Thompson said he had lost all his money, about $100, a $200 diamond ring and a suit of clothes.

SAVED IN MID-OCEAN.

Hamburg, Germany, Nov. 5. — Twenty-two of the 25 men in the crew of the French bark Patrie were rescued Friday in midocean by the Hamburg-American liner Kronprinzessin Cecilie.

The liner found the Patrie burning and disabled in mid-Atlantic, according to wireless dispatches. The German captain launched boats and took off the crew. Three of the French sailors had been washed overboard and drowned just before the arrival of the liner.

The Patrie was a vessel of 300 tons displacement and hailed from Fecamp, France. The Kronprinzessin Cecilie is on the way here from Mexico.

PRIEST TO SELL PAPERS.

Retired Clergyman Had Rather Earn Living Than Take Pension.

Chicago, Nov. 5.—Rather than continue to accept $50 a month from a benevolent society for pensioned priests, Rev. Michael C. Pyplatz, for 30 years pastor of St. Joseph's Polish Catholic Church, is going to sell newspapers on Chicago's streets.

On Monday he came here from Desplanes, Ill., where he has been in retirement since last May, and decided to put up a news stand at State and Madison streets. This inscription will hang above the stand:

This is Father Pyplatz, who for 3 years served his people in St. Joseph's Parish, at Armitage Avenue and 48th streets, and in South Chicago.

The retired priest declared that it is not just to the benevolent society to take its money when he is able to work.

Clark Defends Wilson.

The recent attack on President Wilson made by Senator Cummins of Iowa in a speech delivered in behalf of the Republican gubernatorial candidate in New Jersey has evoked from Speaker Champ Clark a defense of the Chief Executive.

Senator Cummins charged that the President "committed treason" in the framing of his tariff policy and in bringing extraordinary pressure to bear upon the leaders in the Senate to force the passage of the Underwood measure. Mr. Clark said in part:

"Terminology has not yet reached such perfection as to be an exact science, but it is closely approximating it; therefore a plain, matter-of-fact citizen is suprised—even amazed—to discover a man of the official standing of Senator Cummins accusing President Wilson of treason on account of his endeavor to bring Democrats into line on the tariff question. However much Senator Cummins may condemn the President, "treason" is not the right word to describe the President's performances.

"The constitution thus defines treason: "Treason against the United States shall consist in levying war against them or in adhering to their enemies giving them aid and comfort."

"Whatever the President said or did touching the tariff bill, such cannot be construed as falling under the definition. It's queer that so distinguished a lawyer as Senator Cummins should have been led into making such an astounding accusation."

WOMAN DEAD IN BUSHES.

Husband of Mrs Louissa, of Pennsylvania, Disappears.

Pottsvile, Pa., Nov. 5.—With her head and chest crushed in as though beaten with heavy stones, a woman believed by the police to be Mrs Mary Louissa, of St. Clair, near here was found dead yesterday in a clump of bushes on the outskirts of Pottsville. Mrs. Louissa disappeared from her home about two weeks ago and her 12-year-old daughter created a stir when she reported to the police that her father had thrown her mother down a mine breach and killed her. The mine breach was searched in vain.

A week ago the husband, Michael Louissa, disappeared, leaving four small children alone. They are now being cared for by the county.

The description of the missing woman tallies with that of the murdered woman. She had been dead about two weeks.

HELPLESS AS BABY

Down in Mind Unable to Work, and What Helped Her.

Summit Point, W. Va.—Mrs. Anna Belle Emey, of this place, says: "I suffered for 15 years with an awful pain in my right side, caused from womanly trouble, and doctored lots for it, but without success. I suffered so very much, that I became down in mind, and as helpless as a baby. I was in the worst kind of shape. Was unable to do any work.

I began taking Cardui, the woman's tonic, and got relief from the very first dose. By the time I had taken 12 bottles, my health was completely restored. I am now 48 years years old, but feel as good as I did when only 16.

Cardui certainly saved me from losing my mind, and I feel it my duty to speak in its favor. I wish I had some power over poor, suffering women, and could make them know the good it would do them."

If you suffer from any of the ailments peculiar to women, it will certainly be worth your while to give Cardui a trial. It has been helping weak women for more than 50 years, and will help you, too.

Try Cardui. Your druggist sells it.

KIDDIE STOPS A FLYER.

Expess Engineer's Feelings Mixed on Anger And Delight.

Bayonne, N. J., Nov. 4.—When 3-year-old John Surenski stole away from his home, at No. 10 Mechanic street, shortly after dinner, Monday, he climbed to the tracks of the Jersey Central Railroad, near East Twenty-second street. There he sat between the rails and played with stones. The Long Branch express, which had left Jersey City at 1 o'clock, came tearing along down a slight decline at its height speed.

When the train was about a block from where the child sat the engineer, Paul Hodge, saw him. Hodge applied the airbrakes and stopped the train, with the child smiling up at the locomotive. The nose of the engine pilot was only 18 inches from Johnny's head. Hodge jumped from the cab, grabbed up the child and held him until a railroad policeman relieved him of the burden. Then Hodge, with sentiments, divided between anger at loss of time, and delight at preventing a death, climbed into his cab and resumed his journey. The child was carried home by the policeman.

FRIGHTFUL ACCIDENT.

Many Persons Killed in Head-on Collision in France.

Forty-seven persons were killed and over fifty injured last night in a collision between the Nice mail train and the Marseilles express at Metun, thirty miles south of Paris.

Both trains, traveling at terrific speed, crashed head-on just outside Metun station at 9:53 p. m. The noise of the collision was heard for miles. The Marseilles express was completely telescoped.

Immediately after the collision the wreckage caught fire.

The prefect of police at Metun is authority for the statement that forty-seven persons were killed. A later report, however, from a railroad source puts the number of dead at only ten.

The mail train carried no passengers aside from the mail sorters.

Up to midnight fourteen bodies had been recovered and others were known to be still buried beneath the wreckage.

It was feared that some would be roasted alive in the flames. The passengers were mostly Europeans. No Americans have been reported among the killed or injured.

Eleven coaches of the mail train were destroyed. An immense quantity of English mail destined for India and the Far East was burned.

The engineer of the Marseilles train has been arrested. It is alleged that he ran past a danger signal and, seeing that collision was inevitable, leaped off his engine.

STEAMER STRIKES ICEBERG.

Reaches St. Johns, N. F., in a Sinking Condition.

St. Johns, N. F., Nov. 5.—The Furness Line freighter Manchester Commerce dragged her way into the harbor here yesterday, her bow a mass of crumpled wreckage and her pumps racing madly to defeat the flood of water which poured in through the shattered hull.

The steamer, which carried no wireless apparatus, crashed head-on into a giant iceberg at 2 o'clock Sunday morning while about 100 miles east of Belle Isle.

The night was very dark and the berg loomed out of the blackness so suddenly that there was no time to change the course of the steamer, which swept at full speed into the ice. The force of the impact was terrific. The steel plow of the liner was crumpled up like a piece of tin as far aft as the collision bulkhead. The decks were covered with huge fragments of broken ice and wreckage.

Captain Counch made a hasty survey of the damage and headed his ship for St. Johns. He succeeded in notifying his agents at Montreal by means of flag signals.

The sea was swept by a heavy storm and the steamer had a hard time making port. Torrents of water poured into the hull through the shattered bow. The pumps, although constantly in operation, could scarcely hold their own. The ship reached here in a sinking condition. She was the worst wreck that ever entered the harbor. Repairs will require about two months.

The steamer carried 6,000 tons of general cargo. Her lower hold, above which the water did not come, was filled with timber, while grain, flour and foodstuffs were in the deck above.

The Manchester Commerce carries a crew of 40 officers and men. She is built of iron and registers 5,363 tons gross.

Miss Margaret Wilson, daughter of President Wilson, made her debut as a salaried concert singer in Philadelphia last night. She sang in the grand ballroom of the Bellevue-Stratford, and her audience was one that taxed the capacity of the salon. The occasion was a concert given by the Northern Liberty Aid Society. The President's daughter was in good voice, and she sang with confidence.
